

AN ADVANCED SOLUTION FOR OIL HEATING

Albert Culver Company specializes in installing the Energy Kinetics® System 2000®, an advanced solution for oil heating that we strongly endorse for its extremely quiet operation, low emissions, and highly efficient configuration.

Signs You Need a Heating System Upgrade

- 1 Increased fuel usage
- 2 Foreign sounds or odors
- 3 Uneven heating from room to room
- 4 Repairs needed more frequently

Benefits of a Heating System Upgrade

- Annual energy-cost savings
- Longer equipment lifespan
- Improved efficiency and safety
- Lower emissions
- Reduced risk of breakdowns
- Increase home value

If it's time for a heating system upgrade, Albert Culver is here to help! **We provide a free no-obligation installation consultation.** Speak to our experts now about boilers, furnaces, and the advanced Energy Kinetics® System 2000®.

KEEP COOL THIS SUMMER WITH A NEW A/C

Don't wait until it's too late! We're in for another hot summer, so now's the perfect time to book your ductless mini-split or central A/C installation with Albert Culver. Here are some of the benefits you can expect from each system:

DUCTLESS MINI-SPLIT A/C

- Compact and ductless
- Zoning for room-by-room cooling
- Quiet and effective

CENTRAL A/C

- Complete, even cooling throughout your home
- Works with your heating system's ductwork
- Compatible with programmable thermostats

Call (781) 878-5050 for a consultation to learn more about our energy-efficient cooling equipment or request an estimate today!

WE ACCEPT:

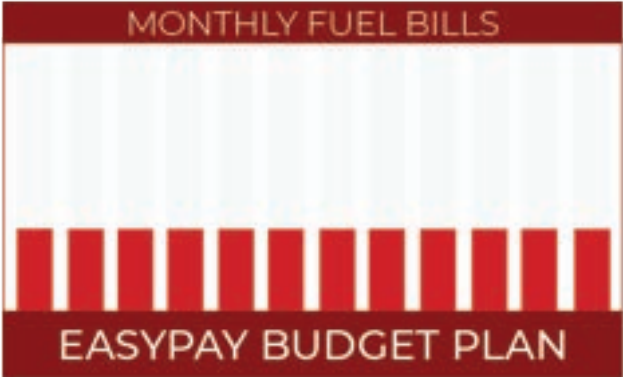

OUR EASYPAY BUDGET PLAN

Here at Albert Culver, we're pleased to offer our customers a practical way to budget your energy costs. Our EasyPay Budget Plan works by estimating your total annual heating bill and dividing your payments equally into 12 monthly payments. Don't wait for the first bill in fall; sign up before July 31st to make your heating oil bills more predictable and convenient this winter!

"I had always dreaded the first heating bill in fall until I spoke to Carole about Albert Culvers Easy Budget Plan, and it was a no brainer to sign on. Payments are spread out during the year so once winter hits, I don't have to worry about high payments since I am now on their Easy Budget Plan process. Thank you, Carole!"

John from Marshfield

A QUARTERLY NEWSLETTER FOR OUR VALUABLE CUSTOMERS
SPRING 2025

Dear Valued Customer,

Spring of 2025 is here, and warmer weather on the South Shore brings fresh blooms and more time outside. As always, the team at Albert Culver is grateful to our loyal customers for continuing to trust us with your home comfort.

Inside this newsletter, you'll find a limited time offer for savings on the installation of a new air conditioning system. We're sharing information about upgrading to the Energy Kinetics® System 2000®, an advanced solution for oil heating that we strongly endorse for its extremely quiet operation, low emissions, and highly efficient configuration. We're also including a detailed description of our fuel budget plan, that begins in July, and helps you to spread out your yearly oil costs evenly over a 12-month period.

Ready to request a quote for a central or ductless A/C installation, or to schedule your next fuel delivery? Please visit [AlbertCulver.com](https://www.albertculver.com) or give us a call at (781) 878-5050. You can always count on us to keep your family comfortable no matter the season.

Warm regards,

Albert Culver

Time for Spring Cleaning!

Your furnace or boiler has worked hard for you all winter! Don't forget to call or go online today and arrange your regular spring heating system cleaning. And if you're not on a Rest Easy Service Plan, please call our office for more details.
